Sec. 58-60. Authority.

This ordinance is adopted pursuant to the authority granted by Wisconsin Statutes § 341.35.

Sec. 58-61. Purpose.

The purpose of this ordinance is to provide the Chippewa County Highway Department with a source of funds in addition to other funding sources currently being utilized to refund and maintain the winter maintenance account.

Sec. 58-62. Definition.

In this section, “motor vehicle” means an automobile or motor truck registered under § 341.25(1)(c), Wis. Stats, at a gross weight of not more than 8,000 pounds, that is registered in this state and is customarily kept in Chippewa County.

Sec. 58-63. Annual registration fee.

At the time a motor vehicle is first registered or at the time of registration renewal, the applicant shall pay a county vehicle registration fee of \$10. This fee is in addition to other fees required by Wisconsin Statutes Chapter 341. The Wisconsin Department of Transportation (DOT) shall collect the fee. Use of funds generated by this registration fee shall be restricted to Highway Department winter maintenance expenses.

Sec. 58-64. Exemptions.

The following motor vehicles are exempt from the annual vehicle registration fee:

- (a) All vehicles exempted by Wisconsin Statutes Chapter 341 from payment of a state vehicle registration fee.
- (b) All vehicles registered by the state under Wisconsin Statutes § 341.26 for a fee of \$5.

Sec. 58-65. Replacements.

No county vehicle registration fee may be imposed on a motor vehicle which is a replacement for a motor vehicle for which a current county vehicle registration fee has been paid.

Sec. 58-66. Administrative costs.

The DOT shall retain a portion of the moneys collected under this section equal to the actual administrative costs related to the collection of these fees (currently \$0.10 per vehicle).

Sec. 58.67. Effective Date.

This ordinance shall take effect on January 1, 2015.

Sec. 58-68. Sunset date.

This registration fee will therefore sunset at midnight on January 1, 2020 or the end of the year in which the winter maintenance fund reaches a positive balance of \$550,000, whichever comes first.
