

CHIPPEWA COUNTY 2018 Waste Tire Program

A COUNTY PROGRAM

The Waste Tire program provides an opportunity for Chippewa County residents to dispose of their discarded tires for a low fee at convenient collection sites. This program provides an outlet for waste tires and assembles large amounts of waste tires sufficient to be loaded on semi-trailers and transported to facilities where the tires are converted to tire derived fuel (TDF).

ELIMINATE HAZARDS

It is estimated that in Wisconsin five million used tires are discarded each year. Waste tires present a health hazard and are fertile breeding grounds for mosquitoes and other insects. Large stockpiles of waste tires pose a fire hazard.
