

APPENDIX G

ANNUAL RECLAMATION REPORT AND ACTIVITIES PLAN

ANNUAL RECLAMATION REPORT AND ACTIVITIES PLAN

An annual reclamation report and activities plan will be prepared and submitted by January 31 of each calendar year. The report will be developed to meet the requirements of NR135.36.

1. The operator will submit a report that contains the following:
 - a. The name and mailing address of the operator
 - b. The location of the nonmetallic mining site, including legal description, tax key number or parcel identification number if available.
 - c. The identification number of the applicable nonmetallic mining permit, if assigned by the regulatory authority.
 - d. The acreage currently affected by nonmetallic mining extraction and not yet reclaimed
 - e. The amount of acreage that has been reclaimed to date, on a permanent basis and the amount reclaimed on an interim basis
 - f. A plan, map or diagram accurately showing the acreage described in pars. (e) and (f).
 - g. The following certification, signed by the operator:

"I certify that this information is true and accurate, and that the nonmetallic mining site described herein complies with all conditions of the applicable nonmetallic mining permit and Chapter NR 135, Wisconsin Administrative Code."

APPENDIX H
