

Chippewa Co. Land & Water Resource Management Plan Update

1/23/19

Dept. of Land Conservation & Forest Management

Our mission is to encourage
"Stewardship for Sustainability".....

to support a quality environment
and productive economy.

"We provide the services that allow people to make the conservation choices that benefit us all."

Land & Water Resource Mgt. Plan Update

Intro

Purpose of Plan

- Required by WI Stats., Chapter 92
- Used by County to:
 - Establish program priorities
 - Coordinate efforts with State/Federal agencies & conservation non-profit organizations (NPO's)
 - Allocate resources to meet local conservation needs & resource management objectives (Co. Strategic Plan, LCFM Annual Work Plans)

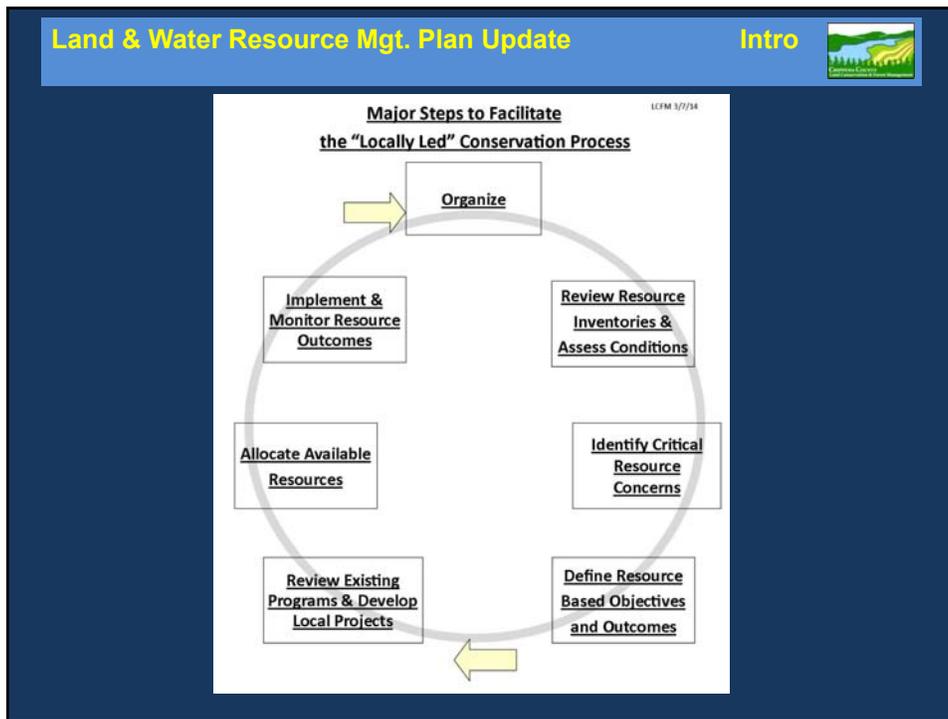

Plan History

- Adopted by Co. Board & WLWCB in 2004 & revised in 2009 & 2014
- Developed & refined with full public participation
 - Public Survey/Stakeholders Advisory Group
 - Focus Questions
 - Public mtgs. & hearings

Purpose of Update

- Report progress & assure accountability
- Re-evaluate conditions & priorities
- Update schedule of activities & performance benchmarks
- Update “Priority Farm” strategy to implement performance standards for nonpoint source runoff pollution control (NR151)
