

# Chippewa Co. Land & Water Resource Management Plan Update

2/6/19

Dept. of Land Conservation &  
Forest Management

Our mission is to encourage  
“Stewardship for Sustainability”.....

to support a quality environment  
and productive economy.

*“We provide the services that allow people to make the conservation choices that benefit  
us all.”*

## Purpose of Plan

- Required by WI Stats., Chapter 92
- Used by County to:
  - Establish program priorities
  - Coordinate efforts with State/Federal agencies & conservation non-profit organizations (NPO's)
  - Allocate resources to meet local conservation needs & resource management objectives  
(Co. Strategic Plan, LCFM Annual Work Plans)

## Plan History

- Adopted by Co. Board & WLWCB in 2004 & revised in 2009 & 2014
- Developed & refined with full public participation
  - Public Survey/Stakeholders Advisory Group
  - Focus Questions
  - Public mtgs. & hearings

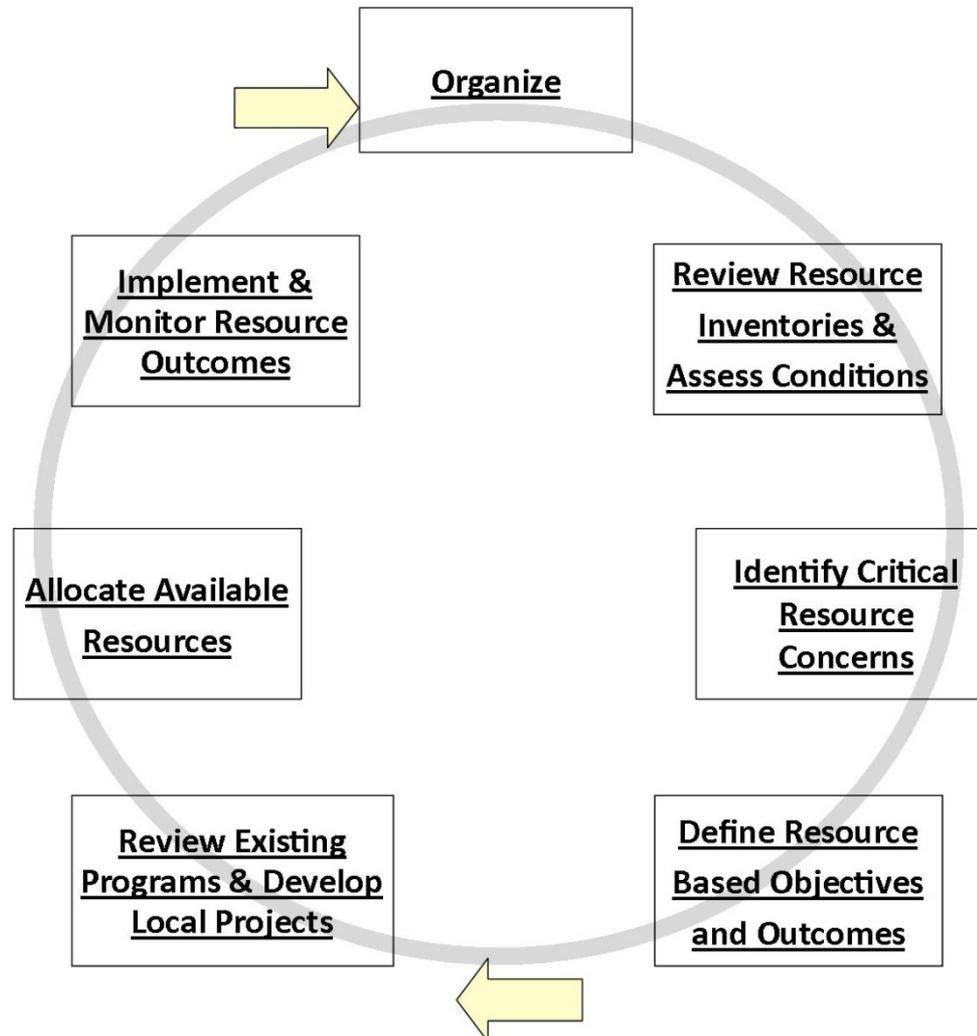

## Purpose of Update

- Report progress & assure accountability
- Re-evaluate conditions & priorities
- Update schedule of activities & performance benchmarks
- Update “Priority Farm” strategy to implement performance standards for nonpoint source runoff pollution control (NR151)

LCFM 3/7/14
