

Our CCS providers hold a contract with Chippewa County (the Lead agency for the consortium). As a CCS provider for the WRRWC you can serve any of the consortia counties. All contracting and invoicing goes through Chippewa County however providers receive referrals and work directly with the county where the consumer resides for service delivery. If you are interested in exploring if providing CCS within the WRRWC is right for your agency please contact Jessica Barrickman, Operations Administrator at (715) 738-2585 or [jbarrickman@co.chippewa.wi.us](mailto:jbarrickman@co.chippewa.wi.us)
