We work with schools and families to meet student needs in the area of autism. This can be student observation within the school environment, working with the school team including parents to set up strategies for success.	https://www.cesa10.k12.wi.us

Children's Hospitals and Clinics	651-220-6000		At Children's, we believe all kids are one-of-a-kind. And that's why we don't offer cookie-cutter solutions to mental health issues. Whether your child has anxiety, depression, attention-deficit hyperactivity disorder (ADHD), behavioral issues, learning disabilities or another condition, we'll work with you and your child to create a customized treatment plan.	https://www.childrensmn.org
Children's Nature Academy			UWEC Children's Nature Academy has many collaborations. The center works closely with the Eau Claire School District, the UWEC Autism program, UWEC Eclipse program and the DPI Child and Adult Care Food Program.	http://www.uwec.edu/Children/programs/index.htm
Gillette's Children's Specialty Health Care	651-291-2848		At Gillette Children's Specialty Healthcare, our psychologists specialize in evaluating and treating children, teens, and adults who have mental health needs related to complex conditions. We provide individual and family therapy, along with caregiver support, related to disorders that affect mood, anxiety, behavior, adjustment, and activities of daily living.	https://www.gillettechildrens.org/conditions-and-care/psychology/
Great Rivers 2-1-1	2-1-1 or dial 800-362-8255		Offers free, confidential community information and referrals 24 hours/day.	http://www.greatrivers211.org

Gunderson Medical Center - Pediatric Specialties - Learning and Development Diagnostic Center	608-782-7300		The Learning and Developmental Diagnostic Clinic (LDDC) is for a child suspected of having an Autistic Spectrum Disorder, but who is felt to be too old to benefit from an Arena Assessment. Both the Arena Assessment and the LDDC provide a diagnostic evaluation. All autism evaluations will provide you with an overall view of your child's development and an assessment of his or her strengths and needs, and will be followed by treatment recommendations.	http://www.gundersenhealth.org/services/pediatric-care/autism/
Integrated Development Services	715-246-9762	mbryant@ids-wi.com	IDS is a home, community, and clinic-based provider of autism intervention services.	http://idsautism.com/
