

AUTISM RESOURCES FOR JACKSON COUNTY

Name	Phone #	Email	Description	Website
Aurora Community Services	715-235-1839 or 888-301-5897	info@AuroraServices.com	We are a passionate and diverse human service agency committed to helping individuals live fuller, richer lives while helping businesses to thrive and flourish. Discover more about our creative and cutting-edge solutions for you, your family, or your organization.	http://www.auroraservices.com/about-us
Autism Society of the Chippewa Valley	715-450-3158	bjwagner@yahoo.com	Provides information and support parent, grandparents, educators, service providers and others interested in autism.	http://www.autismsocietycv.org/
Autism Society of WI	888-428-8476	asw@asw4autism.org	The Autism Society of Wisconsin (ASW) is dedicated to improving the lives of all affected by autism in Wisconsin by providing information and referral, family support, advocacy, professional development, resource development, and by raising awareness and acceptance. ASW sponsors an annual spring and fall conference, a free quarterly newsletter, provides information and referral and monitors a peer support listserv. The Autism Society of Wisconsin is the voice for autism in Wisconsin, advocating for individuals with autism, their families and those who work with them.	www.asw4autism.org

Caillier Clinic	715-836-0064		The Autism treatment team provides individualized, one-to-one behavioral treatments in the child's home. The goal of the treatment is to build a range of skills including communication, social, emotional recognition and regulation, and learning skills as well as reducing challenging behavior with children diagnosed with a congenital developmental disorder such as Autism.	http://www.caillierclinic.com/autism-treatment-services
CESA #4	608-786-4800	lrider@cesa#4.k12.wi.us	Autism resources provided by CESA 4 staff to support students, district staff including administrators and families. We work with schools and families to meet student needs in the area of autism. This can be student observation within the school environment, working with the school team including parents to set up strategies for success.	http://www.cesa4.org/
Chileda	608-782-6480	info@chileda.org	Chileda, founded in 1973, is a living and learning center dedicated to helping children with cognitive and behavioral challenges reach their full potential. We serve children and young adults between the ages of 6 to 21. Autism spectrum disorder, attachment disorder and oppositional defiant disorder are common diagnoses for children who attend Chileda.	http://chileda.org

Children's Hospitals and Clinics	651-220-6000		At Children's, we believe all kids are one-of-a-kind. And that's why we don't offer cookie-cutter solutions to mental health issues. Whether your child has anxiety, depression, attention-deficit hyperactivity disorder (ADHD), behavioral issues, learning disabilities or another condition, we'll work with you and your child to create a customized treatment plan.	https://www.childrensmn.org
Gillette's Children's Specialty Health Care	651-291-2848		At Gillette Children's Specialty Healthcare, our psychologists specialize in evaluating and treating children, teens, and adults who have mental health needs related to complex conditions. We provide individual and family therapy, along with caregiver support, related to disorders that affect mood, anxiety, behavior, adjustment, and activities of daily living.	https://www.gillettechildrens.org/conditions-and-care/psychology
Great Rivers 2-1-1	2-1-1 or dial 800-362-8255		Offers free, confidential community information and referrals 24 hours/day.	http://www.greatrivers211.org
Gundersen Medical Center - Pediatric Specialties - Learning and Development Diagnostic Center	608-782-7300		The Learning and Developmental Diagnostic Clinic (LDDC) is for a child suspected of having an Autistic Spectrum Disorder, but who is felt to be too old to benefit from an Arena Assessment. Both the Arena Assessment and the LDDC provide a diagnostic evaluation. All autism evaluations will provide you with an overall view of your child's development and an assessment of his or her strengths and needs, and will be followed by treatment recommendations.	http://www.gundersenhealth.org/services/pediatric-care/autism/

The Great Lakes Inter-Tribal Council Children and Youth with Special Health Care Needs	715-588-3324		The Great Lakes Inter-Tribal Council's Children/Youth with Special Health Care Needs (CYSHCN) Project is a program which assists in providing information, professional support, referral, and advocacy to Native American families of children with special needs.	http://www.glitc.org/programs/cyshcn
