

## AUTISM RESOURCES FOR ST. CROIX COUNTY

Name	Phone #	Email	Description	Website
Aurora Community Services	715-235-1839 or 888-301-5897	<a href="mailto:info@AuroraServices.com">info@AuroraServices.com</a>	We are a passionate and diverse human service agency committed to helping individuals live fuller, richer lives while helping businesses to thrive and flourish. Discover more about our creative and cutting-edge solutions for you, your family, or your organization.	<a href="http://www.auroraservices.com/about-us">http://www.auroraservices.com/about-us</a>
Autism Society of the Chippewa Valley	715-450-3158	<a href="mailto:bjwagner@yahoo.com">bjwagner@yahoo.com</a>	Provides information and support parent, grandparents, educators, service providers and others interested in autism.	<a href="http://www.autismsocietycv.org/">http://www.autismsocietycv.org/</a>
Autism Support Group of St. Croix Valley		<a href="mailto:pegscott2016@aol.com">pegscott2016@aol.com</a>	The Autism Support Group of St. Croix Valley is a non profit organization committed to serving and advocating for families and individuals living and loving on the autism spectrum, in addition to anyone needing support with a disability. We provide support groups, resources and advocacy at both the local and state level.	<a href="http://autismsupportgroup.org">autismsupportgroup.org</a> or our <a href="#">Facebook site Autism Support Group of St. Croix Valley.</a>

Autism Society of WI	888-428-8476	<a href="mailto:asw@asw4autism.org">asw@asw4autism.org</a>		<a href="http://www.asw4autism.org">www.asw4autism.org</a>
Beyond Behavior, LLC	715-808-8555		Our approach is based on the principles of Applied Behavior Analysis (ABA) . We utilize systematic teaching techniques along with positive reinforcement to teach your child the skills he/she is missing. We develop treatment plan goals utilizing a variety of established assessments. We focus on teaching communication, receptive and expressive language, play skills and social skills.	<a href="http://beyondbehaviorllc.com/home">http://beyondbehaviorllc.com/home</a>
Caillier Clinic	715-836-0064		The Autism treatment team provides individualized, one-to-one behavioral treatments in the child's home. The goal of the treatment is to build a range of skills including communication, social, emotional recognition and regulation, and learning skills as well as reducing challenging behavior with children diagnosed with a congenital developmental disorder such as Autism.	<a href="http://www.caillierclinic.com/autism-treatment-services">http://www.caillierclinic.com/autism-treatment-services</a>

CESA #11	715-246-3232		Educational Services	<a href="http://www.cesa11.k12.wi.us">www.cesa11.k12.wi.us</a>
Children's Hospitals and Clinics	651-220-6000		At Children's, we believe all kids are one-of-a-kind. And that's why we don't offer cookie-cutter solutions to mental health issues. Whether your child has anxiety, depression, attention-deficit hyperactivity disorder (ADHD), behavioral issues, learning disabilities or another condition, we'll work with you and your child to create a customized treatment plan.	<a href="https://www.childrensmn.org">https://www.childrensmn.org</a>
Camp Avanti	715-386-2128		Camp Avanti provides an intensive occupational therapy program within a rustic camp setting for children ages 6 to 15 who have learning disabilities and/or sensory processing dysfunction (SPD). While campers have average or above average intelligence, they may demonstrate poor coordination, hyperactivity, attention deficits, inappropriate or delayed development, poor self-care skills and/or inadequate adaptive behavior resulting in behavioral problems.	<a href="http://campavanti.com">http://campavanti.com</a>
Chileda	608-782-6480	<a href="mailto:info@chileda.org">info@chileda.org</a>	Chileda, founded in 1973, is a living and learning center dedicated to helping children with cognitive and behavioral challenges reach their full potential. We serve children and young adults between the ages of 6 to 21. Autism spectrum disorder, attachment disorder and oppositional defiant disorder are common diagnoses for children who attend Chileda.	<a href="http://chileda.org">http://chileda.org</a>

Dreamship Center	715-600-3432	<a href="http://dreamshipcenter.com">dreamshipcenter.com</a>	DreamShip is a fun indoor play center that offers a variety of therapeutic services for families surrounding Rice Lake, Wisconsin. Our highly trained treatment team has over 10 years of experience supporting families and providing early intervention to children demonstrating developmental delays and symptoms of Autism.	<a href="http://dreamshipcenter.com">http://dreamshipcenter.com</a>
Family Means	651-439-4840		Each counseling experience is unique just as every individual is unique. What happens in individual, couples or family counseling sessions depends on the unique needs and contributions of the individual(s) seeking help.	<a href="https://www.familymeans.org">https://www.familymeans.org</a>
Family Pathways, Inc	715-377-8220 or 651-303-3502		Family Pathways works with communities to develop supportive, caring relationships to help people meet their basic needs. This is done by offering a safety-net of essential services.	<a href="http://familypathways.org">familypathways.org</a>
Family Therapy Associates	715-246-4840	<a href="mailto:info@ftacounseling.com">info@ftacounseling.com</a>	Family Therapy Associates is a multidisciplinary team of dedicated mental health providers who are passionate about collaborating with their community in order to provide the highest standard of counseling services to children, adolescents, adults, couples, and families. Family Therapy Associates has allowed the	<a href="http://www.ftacounseling.com/about-family-therapy-associates">http://www.ftacounseling.com/about-family-therapy-associates</a>

Gillettes Children's Specialty Health Care	651-291-2848		At Gillette Children's Specialty Healthcare, our psychologists specialize in evaluating and treating children, teens, and adults who have mental health needs related to complex conditions. We provide individual and family therapy, along with caregiver support, related to disorders that affect mood, anxiety, behavior, adjustment, and activities of daily living.	<a href="https://www.gillettechildrens.org/conditions-and-care/psychology">https://www.gillettechildrens.org/conditions-and-care/psychology</a>
Great Rivers 2-1-1	2-1-1 or dial 800-362-8255		Offers free, confidential community information and referrals 24 hours/day.	<a href="http://www.greatrivers211.org">http://www.greatrivers211.org</a>
Gundersen Medical Center - Pediatric Specialties - Learning and Development Diagnostic Center	608-782-7300		The Learning and Developmental Diagnostic Clinic (LDDC) is for a child suspected of having an Autistic Spectrum Disorder, but who is felt to be too old to benefit from an Arena Assessment. Both the Arena Assessment and the LDDC provide a diagnostic evaluation. All autism evaluations will provide you with an overall view of your child's development and an assessment of his or her strengths and needs, and will be followed by treatment recommendations.	<a href="http://www.gundersenhealth.org/services/pediatric-care/autism/">http://www.gundersenhealth.org/services/pediatric-care/autism/</a>
Interim Health Care (MA personal Care Only)	715-377-9617		At Interim HealthCare of Hudson, WI we provide the flexibility you need to fit your life. We have home health, private duty, and health care staffing opportunities for a wide variety of health care professionals and caregivers.	
Integrated Development Services	608-833-0123 or 800-218-3781	<a href="mailto:kmeyer@ids-wi.com">kmeyer@ids-wi.com</a>	IDS is a home, community, and clinic-based provider of autism intervention services.	<a href="http://www.idsautism.com">www.idsautism.com</a>

Marshfield Autism Clinic	715-221-5600		The Autism clinic specializes in the evaluation, treatment and management of children with autism or Asperger's Syndrome.	<a href="https://www.marshfieldclinic.org/services/child-development-center/preparing-for-an-autism-clinic-visit">https://www.marshfieldclinic.org/services/child-development-center/preparing-for-an-autism-clinic-visit</a>
Mayo Health Systems	507-266-7890		Mayo Clinic Children's Center pediatric and adolescent medicine specialists provide comprehensive care for the diagnosis and treatment of a wide range of diseases and conditions. Your child will have access to the latest medical treatments and technology, along with groundbreaking clinical trials, in a caring, patient-centered environment	<a href="http://www.mayoclinic.org/departments-centers/childrens-center">http://www.mayoclinic.org/departments-centers/childrens-center</a>
Natures Edge Therapy Center	715-859-6670		Treatments for autism can include behavior and communication therapies and medicines to control symptoms. At Nature's Edge we find that patients with autism generally respond very well to our nonclinical setting. Real-life activities and situations give them a natural context for experiencing self-expression, self-confidence, personal gratification and a sense of achievement.	<a href="http://www.Naturesedgetherapycenter.org">www.Naturesedgetherapycenter.org</a>
NAMI (National Alliance on Mental Illness) St. Croix Valley	715-639-2078		Mental health information, education and support.	<a href="http://www.namilacrossecounty.org">www.namilacrossecounty.org</a>
