

# Vehicle Modification Trust Fund Grant

---

*Do you need assistance making your car meet your accessibility needs?*

The **Vehicle Modification Trust Fund Grant** will serve as a financial resource for individuals with a disability and their caregivers. It is awarded to applicants that need their vehicles modified in order to continue to use them.

*To be eligible:*

- You must have a permanent disability that limits your accessibility to either drive or ride in your vehicle
- **OR** you must be a primary caregiver for an individual with a disability that has limited accessibility to ride in your vehicle
- You must be without the financial means to purchase necessary alterations for your vehicle

To apply, contact the Chippewa County Aging & Disability Resource Center to receive an application and begin the process.

With the help of this grant, you may be able to purchase anything from hand controls, to adjusted seating, to wheelchair accessible ramps. It is important to note that the costs of the alteration must be within \$5,000, unless a waiver request is granted.

Individuals enrolled in long term care programs, or living in group facilities are not eligible for the grant.
