1. Urban Stormwater fees have been adjusted for 2020 assuming a 2.5% rate of inflation, and rounded to \$5 increments.
2. Urban stormwater permit fees are charged to developers for engineering plan reviews and inspections conducted by the LCFM under the authority of the Chippewa County Construction Site Erosion Control & Post-Construction Stormwater Management Ordinance.

These fees will be for developments that occur within the area of jurisdiction which is limited to the Village of L. Hallie, and the Towns of Anson, Lafayette, and Eagle Point.

3. WPDES Municipal Stormwater service fees are charged to the Village of L. Hallie & Towns of Anson, Eagle Point, Hallie, & Lafayette for technical & administrative services, as required to meet WPDES stormwater permit requirements.

These services include annual outfall & stormwater facility inspections, maintenance of stormwater systems map, stormwater ordinance administrative & enforcement, & permit administration & reporting.

4. Late reporting fees will be charged to all active Farmland Preservation agreements, County Cost-share contracts, Animal Waste Storage & Utilization permits, and Non-Metallic Mine Reclamation permits, in circumstances where annual certification or submittal of supporting records is required, and where the material is not received by the established date.
