Chippewa County Says “Thank You” to Local Donors of Emergency Supplies

Chippewa Falls, WI – May 8, 2020 11:11 AM – With shortages of personal protective equipment (PPE) across the country, Chippewa County is fortunate that local companies and community partners have stepped up to provide support. Their generosity is helping to keep Chippewa County emergency responders and long-term care workers protected. The following businesses and organizations are among those who have donated supplies:

Chippewa Falls Area School District
Huebsch Services
Miron Construction Company
Chippewa Valley Technical College
TTM Technologies
Bear Paw Manufacturing/BPM Ski Company
Open Door Clinic
CESA 10
Stanley-Boyd School District

During this time, it is critical to protect emergency personnel, including law enforcement, firefighters and emergency medical responders. Proper protective equipment worn by responders also protects community members to whom they are responding. Thanks again to everyone that has helped with these efforts!
