

2020 Farmers Market and Stand Locations

Safe Shopping Guidelines

Farmers Markets are essential and are open for business. Shopping at the Market will be different this year but with your help we can keep the Farmers Market safe for you, the vendors and our community.

Changes at the Market

- Shopping will follow a one way direction.
- Hand sanitizer will be available throughout the Market.
- Vendors will wear masks and gloves.
- Vendors will handle all produce and goods.
- Vendors will provide single use bags for produce.
- No food samples or eating allowed onsite.
- No seating will be available.
- No pets allowed.

What You Can Do

- If possible, shop alone. Leave children with another caregiver.
- Shop during non-peak hours
- Sanitize your hands upon entering and when leaving.
- Wear a mask.
- Avoid socializing with others. Practice social distancing.
- Follow all signage posted at the Market.
- Stay home if you are sick.
- Come prepared. Bring a list, small bills, and your farmers market checks.
