Chippewa County Department of Public Health is Open for Services by Appointment Only

Chippewa Falls, WI—October 15, 2020 3:26 PM — Effective Monday, October 19, 2020, Chippewa County Department of Public Health (CCDPH) will be open by appointment only. CCDPH is asking community members to please call or email their office before visiting.

“We want people to know we are still open and providing services. However, our lobby will be closed,” said Angela Weideman Chippewa County Health Director/Officer. “We have seen a large increase in calls and we want to ensure that patient information is kept confidential when our front staff is answering calls. This will also limit the amount of in-person contact in an effort to keep our community and staff safe”.

Medial equipment is still available through CCDPH’s loan closet. Individuals who would like to loan equipment are asked to please call and make an appointment to pick up or drop off equipment.

To schedule an appointment or for more information, contact CCDPH at 715-726-7900 or health@co.chippewa.wi.us.
