

RFI #2-12-14 Chippewa County Recycling and Solid Waste Collection and Processing Contracting/Franchise Request for Information (RFI)

The Chippewa County Recycling Program has prepared an RFI to evaluate the feasibility of pursuing joint contracting arrangements for recycling and/or waste management services. This RFI has been prepared to provide the basis for future business based management decisions by the RU and participating municipalities.

According to the RFI, "Any questions concerning this RFI must be submitted via e-mail or fax on or before March 14, 2014, to Renee Yohnk, ryohnk@co.chippewa.wi.us or 715-726-4589 (Fax)."

The following questions were recorded from the Hauler's Meeting on February 24, 2014. No additional written questions were submitted.

Q1.) Is it possible that Eagle Waste and Recycling and Inver Grove Heights be added to the RFI.

A1.) Yes. Figure 3 on Page 18 and Table 4 on Page 19 of the RFI has been updated to include Eagle Waste and Recycling and Inver Grove Heights. See Attachment 1 and 2.

Q2.) What companies provide solid waste collection services in the Targeted Service Area and what municipalities do they serve under both municipally contracted or subscription service arrangements?

A2.) There are a number of companies providing solid waste collection services to the municipalities in the Targeted Service Area under both municipally contracted or subscription service arrangements which include Waste Management, Advanced Disposal, Express Disposal, ProVyro, Boxx Sanitation, and Tambornino Sanitation. See Attachment 3.

Q3.) What is the recycling tonnage collected per municipality in the Targeted Service Area and what company services the municipality under both municipally contracted or subscription service arrangements to processes the recyclables?

A3.) Recycling tonnages are collected from the recycling companies at the end of each year and are reflected on Attachment 3 for the Targeted Service Area. There are a number of companies providing recycling collection services to the municipalities in the Targeted Service Area under both municipally contracted or subscription service arrangements which include Normacycle, Waste Management, Advanced Disposal, Express Disposal, ProVyro, Boxx Sanitation, and Tambornino Sanitation. See Attachment 3.

Q4.) In the interest of confidentiality, is it possible for a company to submit its information under the RFI to the consultant with the assumption that the information provided will not be recorded using the company's name but rather be recorded using a generic alphabetical code that would allow the consultant to compile and summarize the information without using the company's name?

A4.) Yes. The consultant has been directed by Chippewa County to prepare and use a generic alphabetical code to record and compile the information without using the company's name.
