Note: Chippewa County has received one project loan, in April of 1995 in the amount of \$75,146.50. This loan was used toward the purchase of 220 acres of land in the County Forest boundary. The loan was re-paid over 5 years, and completely re-paid by February 2000. The above data on the project loan is incorrect. However, the overall balance due to the DNR from variable acreage share loans and the project loan is correct at \$15,837.68, as of June 30, 2007.
